ATLANTA: GA.

TUESDAY EVENING, JANUARY 12, 1804.

LOCOCHACY.

The term which is the title of our article today was the coinage, from its Greek derivations. of Mr. WASHINGTON INVING, or, if not the soinage, was the subject of a first social applieation to America by him, in those charming intellectual escapades, which, with the contri-

being the evidence of the rule or prevalence of driven off by "idle words," involving now a size or compromise with our invadors, is a cause, our country's honor, and a nation's or destroyed, would be regarded as the deparfore of the scepter from Judan, or the disap- ing to Divise wisdom. wearance of the "lawgiver from between his and shows all," golden opportunities," lest to us tremplons with sounds, and larid with the blood The revolution itself was in some meaby the hours wasted by our legislators and and flame of war. The arbitrament of the for New York papers of the 31st ult, and the sword has been appealed to, and by it we rise and sword has been appealed to, and by it we rise and sword has been appealed to, and by it we rise and sword has been appealed to, and by it we rise and sword has been appealed to, and by it we rise and save and save and save and save independent to the kindness of a friend and flame of war. The arbitrament of the sword has been appealed to, and by it we rise and save an dismemberment, to the wise and earnest, was that the Government of words would be overthat the Government of words would be overthrown by a Government of sense, and that
the Confederacy would exist, the legogracy
and assessin's knife at our throats, who shall
There is no news from the army of the Potethrown by a trovernment or same, and that thoughts would encosed to terms, and actions of must cease to exist, for if we are conquered, it inik of conservation? War: war to the knife mac, or from our forces before Charleston. thoughts would encome to terms, and actions of will be because we have opposed an array of and to the kilt, is our duty and our destiny.

"Beach and setting to the latest naws from Western Virginia is dated as a second and fury signifying nothing." The words to arrays of strangth, and bristling would be arrays of strangth, and bristling words to arrays of strangth, and bristling of strangth and fury signifying nothing." The words to array of strangth and to the kilt, is our duty and our destiny. The because we have opposed an array of is looked at by their Northern neighbors. They gia, declaring that the State will never submit to reconstruction or Yankee affiliation on any Hon, however, has not changed his skin, nor the speeches to the combinations of wise military ing to live watth living for. leopard his spots by revelution, but we stand organisation. face to face with ourselves, as we were before the flood, with only this difference, that while

not a very edifying or profitable luxury at a We also learn that a dispatch has been retime when deeds are in greater demand that calved from Col. Manry's command, announcing lands, even in that of the foe-will not cry to wheeler, had captured one of our trains, on the robust faith of the Northerners, and they must like years as that He words—is parhaps allowable, and the more so, that Liest Sibley had succeeded in destroying Keaven in vain. The end is as sure as that He as it may give them some of the comfortable two of the enemy's mills on Pearl river, and Square, or Mr. Pumpt actions, at a time when der the guer of Port Pike. He also brought nations. What of further trial, what of sorer one hundred and twenty prisoners, but not see and our Northern correspondent—who has, of lay. All who delay after the lat of February comfertable feelings are at a premium, and off both crows. There was no less on our aide, purification, may lie in stora for us, I pretend marsover keep them from the grosser luxuries of Otherwise all was quiet in that quarter. fighting, drinking and speculating; but that rulers, representatives, and officers, should make it their leading business, in times like these, is unfortunate, and we had almost said criminal. As a logosracy we remain unchanged by the revolution, and we fear likely to remain unchanged, or at all events there is no premonition have an armed as well as a transport fleet easily

country and Government a notable example in which have been quoted against us by Mr. EVERETY and others since, with great effect. When called to Montgomery by his designation as President of the new Govennment, he made speeches su routs in which he announced purpases of executive policy which were never

But the most perfect illustration of logocracy tion of his country. the state of the illustrates is one long Fearth of July, or the motive of its assembling any higher than that of a mass meeting, or a conclave of stump apeabors. A fact which illustrates this in regard to Congress, and has in some wise gard to Congress, and has in some wise gard to Congress, and has in some wise gard to Congress, and has in some wise farmlished the nerticular hint of our paper to-day.

The congress is one long Fearth of July, or the bureou at Oholona, Miss., passed up to the frent performance of their respective during the performance of their respective during the commissioners have departed from the impartial and dispassionate position of public officers, and we were graded to inferior officers. By this I do not intend medical effects

But the commissioners about the July ricts is bureou at Oholona, Miss., passed up to the frent only in the performance of their respective during the commissioners have departed from the impartial and dispassionate position of public officers, and lost their usefulness."

We have papers from New Orless of the Commissioners have departed from the impartial and dispassionate position of public officers, and lost their usefulness."

We have papers from New Orless of the Commissioners have departed from the impartial and dispassionate position of public officers, and lost their usefulness."

But The following advertisement of the Sire: You will please publish the Sire: You will please publish the farmished the particular hint of our paper to-day, glad to find him in the full onjoyment of his should be interfered with in their attention to suntatives upon a bill recommended by the Mil thery Committee for passage, providing for put-
